RENEWED PETITION UNDER 37 CFR 1.137(b)

Responsive to the Decision mailed July 12, 2006, grant of the present Renewed
Petition is requested.

The undersigned regrets the clerical error in identifying the PCT application in the
Petition of May 3, 2005. A corrected inventors' Declaration has been forwarded to the
owner's overseas associate for review and execution by the applicants. A corrected
inventors' Declaration was not believed to be required with this Renewed Petition. The
Office is requested to advise the undersigned in the event the corrected inventors'
Declaration is required for consideration and grant of this Renewed Petition.

JACOTOT
Appl. No. 10/533,642
U.S. National Phase of PCT/EP2003/012056
July 17, 2006

The above-identified application became abandoned as to the United States because the fees and documents required by 35 USC 371(c) were inadvertently not filed prior to the expiration of the time set forth in 37 CFR 1.495(b).

A copy of the published application and filing fees, and late Declaration fee were filed May 3, 2005. The Office is authorized by the attached Transmittal to charge the undersigned's Deposit Account No. 14-1140 for any missing or deficient fee.

A Notification of Missing Requirements setting a due date for filing the inventors' Declaration is requested, along with a Decision granting the present Renewed Petition.

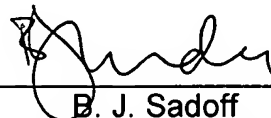

The requisite Rule 17(m) Petition fee (fee code 1453; \$1500) was paid May 3, 2005.

The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional.

Respectfully submitted,

NIXON & VANDERHYE P.C.
